

Shayan Chakraborty

Bengaluru, India | +919874200700 | Shayanchakraborty87@gmail.com | [LinkedIn](#)

Professional Summary

Results-driven forensic science graduate with a strong focus on cybersecurity and digital forensics, combining academic knowledge with hands-on experience. Skilled in threat intelligence, Security Information and Event Management (SIEM), and data visualization, demonstrated through internships at various organizations. Led a team of 10 as Head of Design, showcasing leadership and cross-functional collaboration. Committed to contributing to safer digital environments and developing new tools and techniques in the field.

Skills and Expertise

- **Technical Skills**
 - **Cybersecurity:** Threat intelligence, penetration testing, incident response, vulnerability analysis.
 - **Digital Forensics:** Keystroke analysis, network packet analysis, data recovery.
 - **File Security:** Security protocols.
- **Soft Skills**
 - **Leadership:** Led a team of 10 (C.A.S.E. 23 Official).
 - **Collaboration:** Volunteered/interned at Forensicspedia and AFRS.
 - **Communication:** Clearly shared findings.
- **Tools/Techniques**
 - **Network Analysis:** Packet tracer, network monitoring like Wireshark, Nmap.
 - **File Security:** Securing/analysing tools.
 - **Threat Management:** Identification/mitigation tools.
 - **Simulation:** Experience with Tata Group and Mastercard platforms.
 - **Forensics:** Evidence gathering, digital media analysis.
 - **Design:** Report and visualization presentation.

Education

BSc. In Forensic Science | Kristu Jayanti College Autonomous | 7.5+ CGPA

[08/2022] – [07/2025]

Higher Secondary (12th) | Baruiapur High School | 86.8%

Completed in 2022

Voluntary/Internship Experiences

Cybersecurity Intern at Prodigy InfoTech – Bengaluru, India [12/2024 – 01/2025]

- Conducted network packet tracing and keystroke analysis, enhancing system security protocols.
- Assisted in threat intelligence projects, identifying and mitigating potential vulnerabilities.

Intern at TechnoHacks EduTech Official – Remote [12/2024 – Present]

- Collaborated on live cybersecurity projects, implementing best practices in data security and penetration testing.

Voluntary Experience

- **Volunteer at Forensicspedia – Remote [06/2024 – Present]:** Supported forensic analysis case studies, contributing to community-based knowledge-sharing initiatives.
- **Core Member at Cyfocus – Remote [02/2024 – 09/2024]:** Organized cybersecurity and forensic science workshops, driving engagement among participants.
- **Head of Design Department at C.A.S.E. 23 Official – Bengaluru, India [01/2024 – 10/2024]:** Led a team of 10 members to coordinate and deliver digital forensic events and campaigns.
- **Senior Volunteer at Applied Forensic Research Sciences (AFRS) – Remote [06/2023 – 12/2023]:** Conducted forensic evidence analysis and assisted in the preparation of detailed research reports.

Other Achievements

- **Certifications:** Certified Cybersecurity Analyst, Tata Group – 2024, Cybersecurity Job Simulation, Mastercard – 2024.
- Delivered successful projects like Network Packet Tracer and Keystroke Analysis and many more.
- I have also participated many conferences and presented poster related to forensic science and digital forensics.
- Published a review paper on Digital Forensics for Ransomware-based Software in Medico-Legal Update.
